# Join the Yeiser!

The mission of the Yeiser Art Center (YAC) is to further the development and appreciation of the visual arts within our local community and throughout the region by providing educational opportunities and activities that help nurture the creative spirit in all of us.

YAC was established in 1957 as the Paducah Art Guild. Over the years, the center has grown to host seven art exhibitions annually, houses a gift shop featuring regional artists and maintains a permanent collection of over 200 works. YAC also offers visual art based programming including educational classes for both children and adults, public gallery talks and artist lectures. For information on upcoming programs and exhibitions, please visit [www.theyeiser.org](http://www.theyeiser.org).
